Banana Bread Syrup

INGREDIENTS

Ingredient 1 2 cups

Ingredient 2 2 cups

Ingredient 3 1 tbsp

YIELD — TBD

METHOD

- 01 Step 1: Combine the ingredients in a saucepan.
- 02 Step 2: Bring to a simmer, stirring until fully dissolved.
- 03 Step 3: Remove from heat and let cool completely.
- 04 Step 4: Strain, bottle and refrigerate.

SYRUP NO. 03

Strawberry Syrup

INGREDIENTS

Ingredient 1 2 cups

Ingredient 2 2 cups

Ingredient 3 1 tbsp

YIELD — TBD

METHOD

- 01 Step 1: Combine the ingredients in a saucepan.
- 02 Step 2: Bring to a simmer, stirring until fully dissolved.
- 03 Step 3: Remove from heat and let cool completely.
- 04 Step 4: Strain, bottle and refrigerate.

SYRUP NO. 04

Mango Syrup

INGREDIENTS

Ingredient 1 2 cups

Ingredient 2 2 cups

Ingredient 3 1 tbsp

YIELD — TBD

METHOD

- 01 Step 1: Combine the ingredients in a saucepan.
- 02 Step 2: Bring to a simmer, stirring until fully dissolved.
- 03 Step 3: Remove from heat and let cool completely.
- 04 Step 4: Strain, bottle and refrigerate.

11

Cold Foam

The base cold foam, and its matcha variant, used across the Signature Matchas.

Matcha On Ice

COLD FOAM

About Cold Foam

Placeholder — describe what cold foam is and how it's made: the base ingredients, how it's whipped or frothed, and the texture it should hold on top of a drink.

Placeholder — describe why it's used on the Signature Matchas, and how the matcha variant (used on Double Matcha) differs from the base.

COLD FOAM

Recipe

COLD FOAM — BASE

Ingredient 1 1 cup

Ingredient 2 2 tbsp

Ingredient 3 1 tsp

MATCHA COLD FOAM — ADD-ON

Cold Foam Base 1 batch

Matcha TBD

METHOD

- 01 Step 1: Combine the base ingredients.
- 02 Step 2: Whip or froth until it holds soft peaks.
- 03 Step 3: For the matcha variant, whisk the matcha into the base before frothing.
- 04 Step 4: Use immediately, spooned or poured over the finished drink.
